SENATOR R. JOHNSON: Mr. President, I move we advance LB 477A.

PRESIDENT: Motion is to advance LB 477A. All those in favor say aye. Opposed no. Motion carried. For the explanation of the Girl Scouts in the south balcony, the Chair would explain that we are on the process of Select File this morning which does not necessarily have any debate on bills. When they are on General File, over here, we debate them thoroughly, and when they are over here on Select File, they are mostly up for amendments so that is the reason that we are moving rather quickly on some of these bills. Did you have anything on LB 478?
